“RESOLVED FURTHER THAT the Board of Directors of the Company be and is hereby authorized to do all such acts, deeds and things and execute all such documents, instruments, and writings as may be required to give effect to the aforesaid resolution.”

NOTES

1. Details pursuant to Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and Paragraph 1.2.5 of Secretarial Standard on General Meetings, in respect of Director seeking reappointment at the Annual General Meeting are separately annexed hereto.
2. In view of continuing Covid-19 pandemic, Ministry of Corporate Affairs Circular Ref. Nos: 14/2020 dated April 8, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 5, 2020, 2/2022 dated May 5, 2022 and SEBI Circular No: SEBI/HO/CFD/CMD1/ CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, permitted the holding of Annual General Meeting through VC/OAVM without the physical presence of the members at the common Venue. In compliance with these MCA Circulars and the relevant provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 the Annual General Meeting of the members of the Company is being held through VC/OAVM.
3. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting’s agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
4. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
5. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

6. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, **the facility to appoint proxy to attend and cast vote for the members is not available for this AGM.** However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020. The Notice of the AGM along with the 27th Annual Report is being sent only through electronic mode to those members whose e-mail addresses are registered with the depositories. The Notice calling the AGM has been uploaded on the website of the Company at www.cgvak.com. The Notice can also be accessed from the websites of the Stock Exchange i.e. BSE Limited at www.bseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
8. The AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
9. As per MCA General Circular No. 20/2020 dated May 5, 2020 and 2/2022 dated May 5, 2022 and SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, dispatching of physical copies of the financial statements (including Board's Report, Auditor's Report or other documents required to be attached therewith), such statements shall be sent only by e-mail to the members and hence sending of Annual Report by physical mode has been dispensed with.
10. The Register of Members and the Share Transfer Books of the Company will remain closed from **Thursday, the 22nd September, 2022 to Wednesday, the 28th September, 2022 (both days inclusive).**
11. The dividend if declared at the Annual General Meeting will be paid within 30 days from the date of the Annual General Meeting.
12. Members who are holding shares in physical form are requested to intimate/update immediately their change of address / change of bank account/ email ID, if any, to **M/s. S.K.D.C. Consultants Limited, "Surya" 35, Mayflower Avenue, Behind Senthil Nagar, Sowripalayam, Coimbatore 641 028**, our Registrar & Share Transfer Agents(RTA). Please quote your Folio Number and our Company's name in all your correspondence.
13. Members who are holding shares in Electronic Form are requested to intimate/update immediately their change of address / change of bank account/ email ID, if any, to their respective Depository Participant.
14. In terms of Sections 124(6) of the Companies Act, 2013, as amended the amount of dividend remaining unpaid or unclaimed for a period of seven (7) years from the date of transfer to the unpaid dividend account is required to be transferred to the Investor Education and Protection Fund (IEPF). The Unclaimed dividend for the year 2014-15, 2015-16, 2016-17, 2017-18, 2018-19, 2019-20 and 2020-21 is held in separate Bank accounts and the shareholders who have not received the dividend/encashed the warrants are advised to write to the Company/RTA with complete details.
15. The Notice of the Meeting is also displayed/posted on the websites of the Company www.cgvak.com and that of Central Depository Services (India) Limited ("CDSL") www.evotingindia.com.
16. **THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**
 - (I) **The voting period begins on 24th September, 2022 at 09.00 am and ends on 27th September, 2022 at 5.00 pm.** During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 21st September, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders’ resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

23. Request to shareholders:

Shareholders are requested to follow the general safeguards / procedures as detailed hereunder enabling the Company to serve them efficiently and avoid risks while dealing in the securities of the Company.

Demat of Shares:

Shareholders are requested to convert their physical holding to demat/ electronic form through any of the DPs to avoid any possibility of loss, mutilation etc., of physical share certificates and also to ensure safe and speedy transaction in securities. Any investor who is desirous of transferring shares (which are held in physical form) after April 01, 2019 can do so only after the shares are dematerialized, except for transmission (i.e. transfer of title of shares by way of inheritance / succession) and transposition (i.e. re-arrangement / interchanging of the order of name of shareholders) cases.

Registration of Electronic Clearing Service (ECS) mandate:

SEBI has made it mandatory for all companies to use the bank account details furnished by the Depositories for payment of dividend through ECS to investors wherever ECS and bank details are available. The Company will not entertain any direct request from Members holding shares in electronic mode for deletion of / change in such bank details. Members who wish to change such bank account details are therefore requested to advise their DPs about such change, with complete details of bank account. ECS helps in quick remittance of dividend without possible loss / delay in postal transit. Shareholders, who have not earlier availed this facility, are requested to register their ECS details with the STA or their respective DPs.

Consolidation of multiple folios:

Shareholders, who have multiple folios in identical names, are requested to apply for consolidation of such folios and send the relevant share certificates to the Company.

Registration of nominations:

Section 72 of the Act, 2013 provides facility for making nominations by shareholders in respect of their holding of shares. Such nomination greatly facilitates transmission of shares from the deceased shareholder to his / her nominee without having to go through the process of obtaining succession certificate / probate of the Will, etc. It would therefore be in the best interest of the shareholders holding shares in physical form registered as a sole holder to make such nominations. Shareholders, who have not availed nomination facility, are requested to avail the same by submitting the nomination in Form SH13. This form will be made available on request. Investors holding shares in demat form are advised to contact their DPs for making nominations.

Updation of address:

Shareholders are requested to update their addresses registered with the Company, directly through the STA, to receive all communications promptly. Shareholders, holding shares in electronic form, are requested to deal only with their DPs in respect of change of address and furnishing bank account number, etc.

Timely encashment of dividends:

Shareholders are requested to encash their dividends promptly to avoid hassles of revalidation. As required by SEBI, shareholders are requested to furnish details of their bank account number and name and address of the bank for incorporating the same in the warrants. This would avoid wrong credits being obtained by unauthorized persons. Shareholders are requested to note that the dividends, not claimed for a period of seven years from the date they first became due for payment, shall be transferred to IEPF in terms of Section 124(6) of the Act, 2013 read with Investor Education & Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016.

FUTURE PLANS

Worldwide the business scenario is changing rapidly due to the pandemic. The Pandemic continues to cast its shadows on the global economy and the global GDP for the year is estimated at 4.4%. Organizations are forced to make changes to their business processes using latest technologies to adapt to the new normal. Increased Offshore work, remote delivery, new compensation models with customers are likely to happen. This provides opportunities for IT service providers like us. More and more companies from almost every part of the world are using offshore service providers to meet their software needs.

The Company is able to successfully implement the work from home model without diluting the quality of delivery. New systems and automation of processes have been put into practice to improve the efficiency and monitoring of work. The company has been growing positively in the offshore software services business and this momentum is likely to continue this year.

Our client retention and client satisfaction levels have been growing steadily. We have received many client appreciations and significant amount of repeat business. Our clients have appreciated the way the projects are handled post pandemic. In spite of the disruption, inflation, changes in the geo-political situations in the economies we operate, we have seen a positive growth in our business. In addition to North America, our business and customer base from Europe, Australia and Africa is also expected to grow as planned.

Out-sourced Product development (OPD) market space continues to be the key focus area for the Company as we have achieved a significant success. The performance in Cloud practice has been very good and it is expected to grow at the same pace. Our plan is to focus on the existing relationships we have built with customers and grow the business. Apart from strengthening the presence in the markets in which the company is operating now, plans are in place to penetrate into newer geographies globally.

We expect a positive growth in this year and the Company should perform better in the ensuing Financial Year 2022-23.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. **INDUSTRY STRUCTURE**

The global economy is still recovering from the effects of the pandemic. The global economy is expected to grow at 4.7% this year. Indian IT industry was boosted during the year by the rapid pace of digitalization and higher discretionary expenditure by enterprises. The IT industry in India is the largest employer within the private sector. The Indian technology industry crossed \$200 billion revenue mark in the FY 22, with an overall growth rate of 15.5%. This is highest-ever growth rate since 2011. The IT industry makes use of new technologies and platforms like cloud services, adoption of DevOps, IoT, AI, Machine learning to help businesses to offer better customer experience and change the way business is done. Despite the pandemic, the Indian IT industry has contributed about 7.4% share to India's GDP.

India is one of the major players in the Global IT outsourcing market and has become the world's largest capability hub. FY 2021-22 has been a challenging year due to on-going pandemic, economic volatility, technological disruptions and protectionism by leading markets like USA. However, opportunities in Digital Technologies continue to grow. North American market continues to be the major contributor for India's IT exports.

2. **OPERATIONAL PERFORMANCE**

During the year under review your Company has achieved a turnover of Rs.3831 lakhs as against Rs. 2975lakhs in the previous year. The profit after tax for the year is Rs. 892 lakhs as against Rs. 686 lakhs in the previous year. The company strengthened its focus on the offshore software services and Outsourced Product Development (OPD) market segment.

Business Continuity

The company activated the Business Continuity Plan (BCP) and ensured that employees are able to work from home without diluting the quality of services offered to our clients and also ensuring the safety of employees. Currently almost all our employees are working from home and we have tuned our process to suit the work from home culture.

3. **SEGMENT-WISE PERFORMANCE**

The contributions of business from various Geographical area were:
North America contributed to 80% and Rest of the world 20%.

The company has strategically increased the focus on offshore software services. The revenue Offshore Software Services is Rs. 3827 lakhs for the year 2021-2022 as against Rs. 2971 lakhs in the previous financial year. The increase has been at 29% compared with previous year. The business from onsite services is NIL. This shift to offshore services over the years has benefited the company in many ways and now it has helped in minimizing the business impact due to this pandemic.

4. **OPPORTUNITIES, THREATS, RISKS AND CONCERNS**

New technologies are helping businesses even more in the present connected world and businesses are fast adapting to mitigate the possible disruptions in their business models. Good traction is seen in Cloud migration services, Analytics, Outsourced Product Development (OPD), Product modernization, Automation and Mobile application development services. We see good opportunities from existing customers as they continually invest in the latest technology upgradation. We have built many longstanding relationships with customers and seek to deepen the same by improving the value we offer to our clients particularly on technology adoption and we expect a good growth in the repeat business we get. The sales pipeline has been growing well and this provides good opportunities for growth. There is stiff competition from many Indian and International IT companies for business.

The pandemic continues to bring a lot of changes in the IT industry. While there is no direct impact in our business from the ongoing geo-political conflict between Russia and Ukraine, the Company continues to monitor the developments. We are closely monitoring the developments as always and will be re-strategizing our business and delivery model to mitigate the risks. Our Industry is marked by high attrition rate and the prime challenge is to retain the best talent. We are trying to mitigate the risk by offering good HR practices, career growth and opportunity to work on cutting edge technologies. The company is exposed to the risks and benefits of foreign exchange fluctuations. The company is now adopting a very cautious approach in hedging the currency. High dependency on the North American market is again a risk, which we are trying to mitigate by expanding the geographical spread of our market. Currently we get 80% of our business from North America.

5. **OUTLOOK FOR THE FUTURE**

The IT-BPM exports from INDIA for FY 2022-23 is expected to grow inspite of the continued impact in the world economy due to the pandemic. New models like remote delivery, increased offshore work, new compensation structures are likely to continue and could become the new normal. However, the Digitization initiatives by organizations worldwide is expected to continue at the same momentum. CG-VAK has successfully delivered solutions/projects in the areas like Cloud, Mobile, Social media, DevOps and Analytics. We are also investing our efforts in emerging technologies like AI, IoT and we are well positioned to capitalize on the opportunities that are thrown open due to these trends.

The Company has been investing on technology adoption, building domain expertise, innovative delivery methods in the Outsourced Product Development space that has helped in differentiating our service offerings to win deals. A positive growth is expected to continue in the current financial year as well.

6. **IN ACCORDANCE WITH THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS 2018) (AMENDMENT) REGULATIONS, 2018, THE COMPANY IS REQUIRED TO GIVE DETAILS OF SIGNIFICANT CHANGES (AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS. -**

INDEPENDENT AUDITOR'S REPORT**To****The Members of M/s. CG-VAK Software and Exports Limited
Report on the Standalone Financial Statements****Opinion**

We have audited the standalone financial statements of CG-VAK Software and Exports Limited ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit/loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have no key audit matters to communicate in our report.

Other Information:

The company's Board of Directors is responsible for the preparation of the Other Information. The Other Information comprises the Information included in the Management discussion and Analysis, Board's Report including annexures to Board's Report, Corporate Governance and Shareholders' Information, but does not include the financial statement and auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our report of the Financial Statements, Our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatements of the Standalone Financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting in error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing an opinion on whether Company has adequate internal financial control with reference to Standalone financial statements in place and operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and the board of directors.
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting and based on the audit evidence obtained. Whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group to continue as a going concern. If a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate overall presentation, structure and content of the Standalone Financial Statements including the disclosures, and whether the Statement represent the underlying transactions and events in a manner that achieves fair presentation; and

Materiality is the magnitude of misstatement in the Standalone Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatement in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among others, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

- c) The company has not granted any loans or advances to promoters or other related parties in the nature of loan either repayable on demand or without specifying any terms or period of repayment
- iv) The company has not advanced any loans, made any investments in subsidiaries during the year, provided any guarantee or security in connection with a loan to any other body corporate or person within the meaning of Section 185 and 186 of the Companies Act 2013.
- v) The company has not accepted any deposits from the public covered under sections 73 to 76 of the Companies Act, 2013. No amount is outstanding in respect of any advances which are deemed to be deposits under this clause.
- vi) The central government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of services rendered by the company.
- vii) The company is generally regular in depositing with appropriate authorities undisputed statutory dues, including provident fund, ESI, income tax, goods and service tax, customs duty, cess and any other material statutory dues applicable to it and, according to the information and explanation given to us, no undisputed amounts payable in respect of provident fund, ESI, income tax, GST, customs duty, cess and any other material statutory dues applicable to it were outstanding at the year end, for a period of more than six months from the date they became payable.
- viii) According to the information and explanation given to us, no transactions which were previously unrecorded in the books of account has been surrendered or disclosed as income during the year in tax assessment under the Income tax Act 1961. (Please refer to disclosures given in Note 2 to Audited Standalone Financial Statements.)
- ix) a) According to the information and explanation given to us, the company has not defaulted in repayment of loans or borrowings to banks. The company has not borrowed from financial institutions or government and has not issued debentures till date.
- b) According to the information and explanation given to us and on the basis of our audit procedures, the company has not been declared as willful defaulter by any bank or financial institution or any other lender. (Please refer to disclosures given in Note 2 to Standalone Financial Statements.)

- c) In our opinion and according to the information and explanation given to us, the company has utilized the money obtained by way of term loans during the year for the purposes for which it was obtained.
- d) According to the information and explanation given to us and the procedures performed by us and overall examination of financial statements of the company, we report that no funds raised on short term basis have been utilized for long term purposes by the company.
- e) According to the information and explanation given to us and on overall examination of financial statements of the company, we report that The Company has not taken any funds from any entity or person on account of or to meet the obligation of subsidiaries, joint ventures or associates.
- f) According to the information and explanation given to us and procedures performed by us, the company has not raised Loans during the year on pledge of securities held in subsidiaries, joint ventures or subsidiaries.
- x) a) The company has not raised any money by way of initial public offer or further public offer (including debt instruments). Hence reporting under this clause does not arise.
b) The Company has not made any preferential allotment or private placement of shares or fully or partly convertibles debentures during the year under review and therefore paragraph 3(x(b)) of the Order is not applicable to the Company.
- xi) a) During the course of our examination of the books and records of the company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanation given to us, we have neither come across any instance of fraud by the company or any fraud on the company by its officers or employees, noticed or reported during the year, nor have been informed of any such instance by the management.
b) As represented to us by the management, the company has not received any whistle blower complaints during the year.
- xii) In our opinion and according to the information and explanation given to us, the company is not a Nidhi Company. Therefore clause 3(xii) of the order is not applicable to the company.
- xiii) According to the information and explanations given to us, all transactions with the related parties are in compliance with sections 177 and section 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Standalone Financial Statements etc. as required by the applicable accounting standards.
- xiv) In our opinion and based on our examination, the company has an internal audit system commensurate with size and nature of its business.
We have considered the internal audit reports of the company issued till date for the period under audit.
- xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him during the year.
- xvi) According to the information and explanation given to us, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- xvii) The company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- xviii) There has been no resignation of statutory auditor during the year and accordingly this clause is not applicable.
- ixx) According to the information and explanation given to us and on the basis of financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of Board of Directors and management plans, based on our examination of evidence supporting the assumptions, nothing has come to our attention that causes us to believe that any material uncertainty exists on the date of audit report that the company is not capable of meeting its liabilities existing at the date of Balance sheet as and when they fall due within a period of one year from the balance sheet date. we, however state that this is not assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of audit report and we neither give a guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- xx) In respect of other than ongoing project. The company has transferred the unspent amount of Rs 7,68,916 for financial year 2020-21 within a period of 6 months (i.e. on or before 30-09-2021) (second proviso to section 135(5)) to PM cares Fund specified under Schedule VII of the Companies Act 2013. The company is not pursuing any ongoing project.
- xxi) This clause 3(xxi) is not applicable for audit of standalone financial statements.

ANNEXURE –B**ANNEXURE REFERRED TO IN PARAGRAPH 1 OF OUR REPORT ON ‘OTHER LEGAL AND REGULATORY REQUIREMENTS’ IN THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE TO THE MEMBERS OF CGVAK SOFTWARE AND EXPORTS LTD ON THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of CGVAK SOFTWARE AND EXPORTS LTD (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the liability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statements for the year ended 31st March, 2022

1 CORPORATE INFORMATION

CG-VAK Software and Exports Limited (“the Company”) is a public limited company incorporated in India and governed by the Companies Act, 2013 (“the Act”). The company’s registered office is situated at 171, Mettupalayam Road, Coimbatore 641 043, Tamilnadu, India. The Company’s main business is providing of software services. The Equity Shares of the Company is listed on the Bombay Stock Exchange).

2 SIGNIFICANT ACCOUNTING POLICIES

(i) Statement of compliance

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013. Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March, 2022, the Statement of Profit and Loss for the year ended 31 March 2022, the Statement of Cash Flows for the year ended 31 March 2022 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as ‘Standalone Financial Statements’ or ‘financial statements’).

(ii) Basis of preparation and presentation

The financial statements have been prepared on accrual basis under the historical cost convention except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

(iii) Use of estimates and judgement

In the application of the Company’s accounting policies, the Company is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, else in the period of the revision and future periods if the revision affects both current and future periods.

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management’s evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may diverge from these estimates.

Estimation uncertainty relating to COVID-19 outbreak: The Company has considered internal and certain external sources of information including credit reports, economic forecasts and industry reports up to the date of approval of the financial statements in determining the impact on various elements of its financial statements. The Company has used the principles of prudence in applying judgments, estimates and assumptions including sensitivity analysis and based on the current estimates, the Company expects to fully recover the carrying amount of trade receivables including unbilled receivables, intangible assets and investments. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements.

(iv) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the “functional currency”). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

(v) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for rebates, and similar allowances.

a) Service income:

Revenue is recognized when a customer obtains control of promised goods or services and thus has the ability to direct the use and obtain the benefits from goods or services in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. For each contract with a customer, the company applies the below five step process before revenue can be recognized.

- Identify the contract with the customer
- Identify the separate performance obligation
- Determine the transaction price of the contract
- Allocate the transaction price to performance obligation and
- Recognize revenue at a point in time as performance obligations are satisfied.

Notes forming part of the Financial Statements for the year ended 31st March, 2022

- b) Interest income:** Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.
- c) Dividend income:** Dividend is recognised when the right to receive payment is established.
- (vi) Investment in subsidiary**
Investments in subsidiary is accounted at cost less impairment losses, if any.
- (vii) Foreign currencies**
In preparing the financial statements of the Company, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.
Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which they arise except for exchange differences on transactions designated as fair value hedge.
- (viii) Borrowing costs**
Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time the assets are substantially ready for their intended use or sale.
All other borrowing costs are recognised in profit or loss in the period in which they are incurred.
- (ix) Employee benefits**
The Company participates in various employee benefit plans. The employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.
Short-term employee benefits
All short-term employee benefits such as salaries, wages, bonus, and other benefits which fall within 12 months of the period in which the employee renders related services which entitles them to avail such benefits and non-accumulating compensated absences are recognised on an undiscounted basis and charged to the statement of profit and loss.
A liability is recognised for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.
Defined contribution plan
The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.
Defined benefit plan
In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity benefit is funded. The Company's obligation in respect of the gratuity, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. Actuarial gains or losses are recognized in other comprehensive income.
Remeasurement, comprising actuarial gains and losses is reflected immediately in the balance sheet with charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected in retained earnings and is not reclassified to the statement of profit and loss.
- (x) Taxation**
Income tax expense represents the sum of the tax currently payable and deferred tax.
- a) Current tax:** Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.
- b) Minimum Alternate Tax (MAT):** The company has shifted to new regime of taxation (since 2019-20) mentioned under section 115BAA. Under section 115BAA tax rate is 22% plus surcharge and education cess. MAT Provisions are not applicable if tax is charged at a rate mentioned in section 115BAA. No MAT credit of earlier years has been carried forward to current year.
- c) Deferred tax:** Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Notes forming part of the Financial Statements for the year ended 31st March, 2022

Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(xi) Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is not depreciated.

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price/ acquisition cost, net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use. Machinery spares which can be used only in connection with an item of Property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on property, plant and equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Depreciation on Property, plant and equipment (other than freehold land) has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The estimated useful life of the tangible assets are reviewed at the end of the each financial year and the depreciation period is revised to reflect the changed pattern, if any.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

(xii) Intangible assets

Intangible assets include cost of software and designs. Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use. Intangible assets with finite lives are amortized over their estimated useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible Assets with indefinite useful lives are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

(xiii) Impairment of tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

If the recoverable amount of the assets are estimated to be less than their carrying amounts, the carrying amounts of those assets are reduced to their recoverable amounts. Impairment losses are recognised immediately in the Statement of Profit and Loss. When impairment losses are subsequently reversed, the carrying amount of those assets are increased to their revised estimates of their recoverable amounts, so that the increased carrying amounts do not exceed the carrying amounts that would have been determined had no impairment losses recognised for those assets in prior years. The reversal of impairment losses are recognised immediately in the Statement of Profit and Loss.

(xiv) Provisions and contingencies

Provisions: A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities: Contingent liabilities are not recognised but are disclosed in notes to accounts.

Notes forming part of the Financial Statements for the year ended 31st March, 2022**(xv) Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially recognised at fair value. Transaction costs that are directly attributable to financial assets and liabilities [other than financial assets and liabilities measured at Fair Value Through Profit and Loss (FVTPL)] are added to or deducted from the fair value of the financial assets or liabilities, as appropriate on initial recognition. Transaction costs directly attributable to acquisition of financial assets or liabilities measured at FVTPL are recognised immediately in the statement of profit and loss.

Equity instruments at FVTOCI

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis.

If the Company decides to classify an equity instrument as FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI. There is no recycling of the amount from OCI to statement of profit and loss, even on sale of the instrument. However, the Company may transfer the cumulative gain or loss within the equity.

a) Non-derivative Financial assets: All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Financial assets at amortised cost

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Effective interest method:

The rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

b) Derecognition of financial assets: A financial asset is derecognised only when the:- Company has transferred the rights to receive cash flows from the financial asset; or- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset.

When the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

c) Foreign exchange gains and losses: The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in Statement of Profit and Loss.

d) Financial liabilities:**Initial recognition and measurement**

Financial liabilities are recognised when, and only when, the Company becomes a party to the contractual provisions of the financial instrument. The Company determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at fair value and in the case of financial liabilities not at fair value through the Statement of Profit and Loss as directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised and through the amortisation process.

Notes forming part of the Financial Statements for the year ended 31st March, 2022**Derecognition of financial liabilities**

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

(xvi) Segment reporting

Operating segments are reported in the manner consistent with the internal reporting to the Chief Operating Decision Maker (CODM) as per Ind AS 108. The Company is reported at an overall level, and hence there is only one reportable segment viz., Software Services. Geographic information is based on business sources from that geographic region. Accordingly the geographical secondary segments are determined as "North America" and "Rest of the World".

(xvii) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition) and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits (with an original maturity of three months or less from the date of acquisition) with banks.

(xviii) Leases

The Company's lease asset classes primarily consist of leases for buildings. The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

In the comparative period, Lease payments under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

(xix) Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(xx) Disclosures for recent Amendment in Schedule III

On March 24, 2021, the Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. The Company has evaluated the effect of the amendments on its financial statements and the following are disclosed a) There is no proceeding initiated against the Company for holding any Benami Properties under the Benami transaction (Prohibition) Act 1988 b) We are not dealing with any struck off Companies c) We are not dealing in any Crypto Currencies d) The Title deeds of all immovable properties shown as Fixed Assets are held in the name of the Company e) The Company has not been sanctioned any Working Capital Limit in excess of five crores against the security of Current Assets f) No transactions not recorded in the books of accounts have been surrendered as Income in any tax assessment during the year g) we have not been declared as wilful defaulters by any Bank, Financial Institution or any other lenders h) No funds have been advanced or loaned or invested (either from the borrowed funds or share premium or any other sources or kind of funds) by the company to any person or entities, including foreign entities ("intermediaries") with the understanding whether recorded in writing or otherwise, the intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or behalf of the company ("ultimate beneficiaries"), or provide any guarantee, or security or the like, on behalf of the ultimate beneficiaries. i) No funds have been received from any person or entities, including foreign entities (Funding party) with the understanding whether recorded in writing or otherwise, the company shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party ("ultimate beneficiaries") or provide any guarantee or security or the like on behalf of the ultimate beneficiaries

21 Segment information

The Managing Director of the company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by industry classes. Accordingly, segment information has been presented.

The Chief Operating Decision Maker (CODM) of the company examines the performance from the perspective of company as a whole viz. 'Software business' and hence there are no separate reportable segments as per Ind AS 108.

Geographic information is based on business sources from that geographic region. Accordingly the geographical secondary segments are determined as "North America" and "Rest of the World".

Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainder of costs are apportioned on an appropriate basis. Certain expenses are not specifically allocable to individual segments as the underlying services are used interchangeably. The management therefore believes that it is not practicable to provide segment disclosures relating to such expenses and accordingly such expenses are separately disclosed as "unallocated" and directly charged against total income.

Rate of escalation in Salary (per annum)	10.00%	10.00%
Attrition rate (per annum)	20.00%	20.00%

The retirement age of employees of the Company is 58 years.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary. The mortality rates considered are as per the published rates in the Indian Assured Lives Mortality (2006-08) Ultimate table.

Sensitivity analysis

The key actuarial assumptions to which the defined benefit plans are particularly sensitive to are discount rate and full salary escalation rate. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

Amount in Rs.

Particulars	Discount Rate	Salary escalation Rate
As at March 31, 2022		
Defined benefit obligation on plus 100 basis points	1,29,95,605	1,47,77,677
Defined benefit obligation on minus 100 basis points	1,48,65,880	1,30,58,596
As at March 31, 2021		
Defined benefit obligation on plus 100 basis points	1,16,22,229	1,32,90,507
Defined benefit obligation on minus 100 basis points	1,33,90,182	1,16,97,298

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

4 years to 5 years	4,12,484	9,44,067
5 years to 10 years & above	76,05,130	69,65,978

As at March 31, 2022 & March 31, 2021, 100% of the plan assets were invested in insurer managed funds.

The Company has established an income tax approved irrevocable trust fund to which it regularly contributes to finance liabilities of the plan. The fund's investments are managed by certain insurance companies as per the mandate provided to them by the trustees and the asset allocation is within the permissible limits prescribed in the insurance regulations.

The employee benefit obligations expose the Company to actuarial risks such as: longevity risk and salary risk.

Longevity Risk: The present value of the defined benefit obligation is calculated by reference to the best estimate of the mortality of the participants during their employment. An increase in the life expectancy of the the participants will increase the obligation.

Salary risk: The present value of the defined benefit obligation is calculated by reference to the future salaries of the participants. As such, an increase in the salary of the the participants will increase the obligation.

26. Financial instruments
26.1 Capital management

The Company's management objectives are:

- to ensure the Company's ability to continue as a going concern
- to create value for shareholders by facilitating the meeting of long term and short term goals of the Company.

The Company determines the amount of capital required on the basis of annual business plan coupled with long term and short term expansion plans. The funding needs are met through equity, cash generated from operations, long term and short term bank borrowings and preference share capital. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company. Net debt includes interest bearing instruments less cash and cash equivalents and other bank balances (including non-current earmarked balances)

The table below summarises the capital, net debt and net debt to equity ratio (Gearing ratio) of the Company

Notes forming part of the Financial Statements for the year ended 31st March, 2022

The management has assessed that the fair values of cash and cash equivalents, bank balances, trade receivables, other financial assets, trade payables and other financial liabilities recorded at amortised cost is considered to be a reasonable approximation of fair value.

The following methods and assumptions are used to estimate the fair values:

Fair values of the Company's interest-bearing borrowings are determined by using Effective Interest Rate (EIR) method. The own non-performance risk as at March 31, 2022 was assessed to be insignificant.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The fair-value of the financial-instruments factor the uncertainties arising out of COVID-19, where applicable.

B. Fair value hierarchy

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

26.3 - Financial risk management objective

The Company's activities expose it to certain / reasonable financial risks. The Company's primary focus is to foresee the unpredictability of such risks and seek to minimize potential adverse effects on its financial performance. The Company has a risk management process and framework in place. This process is coordinated by the Board, which meets regularly to review risks as well as the progress against the planned actions. The Board seeks to identify, evaluate business risks and challenges across the Company through such framework. These risks include market risks, credit risk and liquidity risk.

The risk management process aims to:

- improve financial risk awareness and risk transparency
- identify, control and monitor key risks- identify risk accumulations
- provide management with reliable information on the Company's risk situation
- improve financial returns

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements:

Risk	Exposure arising from	Risk Management
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (Rs.)	Periodic review by management
Market risk - interest rate	Borrowings at variable rates	Mix of borrowings taken at fixed and floating rates
Credit risk	Borrowings and other liabilities	Availability of committed credit and of asset base, credit limits, etc. borrowing facilities
Liquidity risk	Cash and cash equivalents, trade receivables and other financial assets	Bank deposits, diversification of asset base, credit limits, etc.

Notes forming part of the Financial Statements for the year ended 31st March, 2022

Market risk - Foreign exchange

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to US Dollar. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency. Exposures to foreign currency balances are periodically reviewed to ensure that the results from fluctuating currency exchange rates are appropriately managed. The Company concentrates mainly on domestic market hence the risk on account of foreign exchange is very minimal.

The Company does not have any derivatives financial instruments either for hedging or for speculation purpose.

The details of foreign currency exposures that are not hedged by any derivative instrument or otherwise are:

Particulars	Foreign	Amount in FC		Equivalent Rs. in Lakhs	
	Currency (FC)	31.03.2022	31.03.2021	31.03.2022	31.03.2021
Trade Receivables	USD	0	0	0	0
	CAD	17,518	67,272	10,32,686	38,58,024
	GBP	10,229	8,931	10,04,999	8,87,245
	EUR	0	0	0	0
	AUD	0	0	0	0

Foreign currency sensitivity analysis

The following information details the Company's sensitivity to a 5% increase and decrease in the Rupee against the relevant foreign currencies. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates. A positive number below indicates an increase in profit where the Rupee strengthens 5% against the relevant currency will increase the profit and equity by Rs.101884(Previous year Rs. 237263). For a 5% weakening of the Rupee against the relevant currency, there would be an equal and opposite impact on profit and equity.

Market risk - Interest rate
(i) Liabilities:

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At March 31, 2022, the Company is exposed to changes in market interest rates through bank borrowings at variable interest rates. Below is the overall exposure of the Company to interest rate risk:

Amount in Rs.

Particulars	As at March 31, 2022	As at March 31, 2021
Variable rate borrowing from Banks	0	0
Fixed rate borrowing		
- Banks	2,62,04,420	0
- Others	0	0
Total borrowings	2,62,04,420	0

Notes forming part of the Financial Statements for the year ended 31st March, 2022

Interest rate sensitivity analysis:

For non derivative instruments there is no change in the the floating rate borrowings during the year. Hence there is no impact in the Company's profit for the year ended March 31, 2022 (year ended March 31, 2021 Nil).

(ii) Assets: The Company's financial assets are carried at amortised cost and are at fixed rate only. They are, therefore, not subject to interest rate risk since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, deposits with banks, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at reporting date. In respect of trade and other receivables, the Company is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics. The Company has very limited history of customer default, and considers the credit quality of trade receivables, that are not past due or impaired, to be good. Therefore, the Company does not expect any material risk on account of non performance by any of the Company's counterparties. The credit risk for cash and cash equivalents, bank deposits, security deposits and loans is considered negligible, since the counterparties are reputable organisations.

Liquidity risk

The Company requires funds both for short-term operational needs as well as for long-term expansion programmes. The Company remains committed to maintaining a healthy liquidity ratio, deleveraging and strengthening the balance sheet. The Company manages liquidity risk by maintaining adequate support of facilities and by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The Company's Finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The Company's financial liability is represented significantly by long term and short term borrowings from banks and trade payables. The maturity profile of the Company's short term and long term borrowings and trade payables based on the remaining period from the date of balance sheet to the contractual maturity date is given in the table below. The figures reflect the contractual undiscounted cash obligation of the Company.

27 Leases

The Company has adopted Ind AS 116 'Leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 – Leases and related interpretation and guidance. The Company has applied Ind AS 116 using the modified retrospective approach (Modified Retrospective (ROU asset = Lease Liability and incremental borrowing rate)). As a result, the comparative information has not been restated. In adopting Ind AS 116, the Company has applied the below practical expedients:

The Company has applied a single discount rate to a portfolio of leases with reasonably similar characteristics

The Company has used hindsight, in determining the lease term if the contract contains options to extend or terminate the lease

The Company has treated the leases with lease term of less than 12 months as "short term leases"

The Company has not applied the requirements of Ind AS 116 for leases of low value assets.

Impact of adoption of Ind AS 116 on the statement of profit and loss	Amount in Rs.

INDEPENDENT AUDITOR'S REPORT**To The Members of M/s. CG-VAK Software and Exports Limited****Report on the Consolidated Financial Statements****Opinion**

We have audited the Consolidated financial statements of CG-VAK Software and Exports Limited (“the Holding Company”) and its subsidiary CG-VAK Software USA Inc (the holding company and its company collectively referred to as “the Group”), which comprise the consolidated balance sheet as at 31st March 2022, and the consolidated statement of Profit and Loss (including other comprehensive Income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules 2015 as amended (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2022, and consolidated profit/loss and Consolidated Total Comprehensive Income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have no key audit matters to communicate in our report.

Other Information:

The Holding company’s Board of Directors is responsible for the preparation of the Other Information. The Other Information comprises the Information included in the Management discussion and Analysis, Board’s Report including annexures to Board’s Report, Business Responsibility report, Corporate Governance and Shareholders’ Information, but does not include the consolidated financial statement and auditor’s report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our report of the Consolidated Financial Statements, Our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 (“the Act”) with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance, Total Comprehensive income, changes in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind-AS financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, management and Board of Directors of the Group are responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative to do so.

Those Board of Directors are also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatements of the Consolidated Financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting in error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing an opinion on whether group has adequate internal financial control with reference to Consolidated financial statements in place and operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management and the board of directors.
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting and based on the audit evidence obtained. Whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the group to continue as a going concern. If a material uncertainty exists, We are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on audit evidence obtained up to the date of our auditor's report. However future events or conditions may cause the Group to cease to continue as a going concern;
- Evaluate overall presentation, structure and content of the Consolidated Financial Statement including the disclosures, and whether the Consolidated Financial Statement represent the underlying transactions and events in a manner that achieves fair presentation; and

Materiality is the magnitude of misstatement in the Consolidated Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work: and (ii) to evaluate the effect of any identified misstatement in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among others, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our audit report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonable be expected to outweigh the public interest benefits of such communication.

Other Matters:

We did not audit the financials of the wholly owned subsidiary, CG-VAK Software USA Inc. We have relied on the unaudited Financial Statement of the subsidiary whose financial statements reflect total assets of **Rs 1391.93 lacs** as at 31st March 2022 and total revenue of **Rs 1586.27 lacs** and net profit after tax amount of **Rs 10.26 lacs** for the year ended 31st March 2022. These financial statements have been approved by Board of Directors of the Subsidiary Company, certified by the management, compiled by other auditors whose reports have been furnished to us and our report so far as it relates to the amounts included in respect of this subsidiary is solely based on such approved unaudited financial statements. Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books
 - c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial consolidated statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors of Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group’s internal financial controls over financial reporting.
- B.** With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 23 to the financial statements;
 - ii. The Group did not have material long term contracts including derivative contracts for which there were any material foreseeable losses during the year ended 31st March 2022.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
 - iv. The Management of Holding Company, has represented that, to the best of its knowledge and belief, other than as disclosed in the note 2 to the accounts, no funds have been advanced or loaned or invested (either from the borrowed funds or share premium or any other sources or kind of funds) by the Holding company or its subsidiary to any person or entities, including foreign entities (“intermediaries”) with the understanding whether recorded in writing or otherwise, the intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or behalf of the Holding company (“ultimate beneficiaries”), or provide any guarantee, or security or the like, on behalf of the ultimate beneficiaries.
 - v. Also the Management of the Holding Company has represented that, to the best of its knowledge and belief, other than as disclosed in the note 2 to the accounts, no funds have been received from any person or entities, including foreign entities (Funding party) with the understanding whether recorded in writing or otherwise, the company or its subsidiary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (“ultimate beneficiaries”) or provide any guarantee or security or the like on behalf of the ultimate beneficiaries.
 - vi. Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations made under rule 11(e)(i) and ii of Company (Audit and Auditors) rules 2014 as amended contain any material misstatement.
 - vii. Dividend declared or paid during the year are in accordance with section 123 of Companies Act 2013.
 - viii. The Holding company is using such software for maintaining its books of accounts which has edit log facility and same has been operated throughout the year and such feature has not been tampered with and the trail has been preserved by the company as per statutory requirement.
- C.** With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act as amended; In our opinion and to the best of our information and according to the explanation given to us, remuneration paid by the Holding company to its directors during the year is in accordance with the provisions of section 197 of the Act and is within the limit specified under the said section.

ANNEXURE “A”

REFERRED TO IN PARAGRAPH 1 OF OUR REPORT ON ‘LEGAL AND OTHER REGULATORY REQUIREMENTS’ IN THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2022 OF CG-VAK SOFTWARE AND EXPORTS LIMITED AND ITS SUBSIDIARY CGVAK SOFTWARE USA Inc

Report on the Internal Financial Controls with reference to the afore said Consolidated Financial statements under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated financial statements of the CGVAK SOFTWARE AND EXPORTS LIMITED (herein after referred to as Holding Company) as of and for the year ended 31st March 2022, We have audited the internal financial controls over financial reporting with reference to the consolidated Financial statements of the Group, which are entities incorporated in India as of that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of Holding Company is responsible for establishing and maintaining internal financial controls with reference to the Consolidated Financial Statements considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safe guarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to the Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to the Consolidated Financial Statements.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the liability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls with reference to the Consolidated Financial Statements and such internal financial controls were operating effectively as at March 31, 2022, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B”

CG-VAK Software USA Inc (Subsidiary Company), included in the group, is an entity incorporated outside India having no place of business in India and not conducting any business activity in India and hence not falling within the definition of foreign company given under the Companies Act 2013. Hence Companies Auditors Report Order (CARO) 2020 is not applicable to the subsidiary company and hence reporting under the clause 3(xxi) of order does not arise.

Notes forming part of the Financial Statements for the year ended 31st March, 2022(Consolidated)

1 CORPORATE INFORMATION

CG-VAK Software and Exports Limited (“the Company”) is a public limited company incorporated in India and governed by the Companies Act, 2013 (“the Act”). The company’s registered office is situated at 171, Mettupalayam Road, Coimbatore 641 043, Tamilnadu, India. The Company’s main business is providing of software services. The Equity Shares of the Company is listed on the Bombay Stock Exchange).

2 SIGNIFICANT ACCOUNTING POLICIES

(I) Statement of compliance

Consolidated Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013. Accordingly, the Company has prepared these Consolidated Financial Statements which comprise the Balance Sheet as at 31 March, 2022, the Statement of Profit and Loss for the year ended 31 March 2022, the Statement of Cash Flows for the year ended 31 March 2022 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as ‘Consolidated Financial Statements’ or ‘financial statements’).

(ii) Principles of consolidation

The consolidated financial statements relate to CG-VAK Software and Exports Limited (the ‘Company’) and its wholly owned subsidiary company. The consolidated financial statements have been prepared on the following basis:

The financial statements of the subsidiary company used in the consolidation are drawn upto the same reporting date as that of the Company, i.e., 31st March, 2022

The financial statements of the Company and its subsidiary company have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses, unless cost cannot be recovered.

The excess of cost to the Group of its investments in the subsidiary company over its share of equity of the subsidiary company, at the dates on which the investments in the subsidiary company were made, is recognised as ‘Goodwill’ being an asset in the consolidated financial statements and is tested for impairment on annual basis. On the other hand, where the share of equity in the subsidiary company as on the date of investment is in excess of cost of investments of the Group, it is recognised as ‘Capital Reserve’ and shown under the head ‘Reserves & Surplus’, in the consolidated financial statements. The ‘Goodwill’ / ‘Capital Reserve’ is determined separately for each subsidiary company and such amounts are not set off between different entities.

Minority Interest in the net assets of the consolidated subsidiary consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary company were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit / loss for the year of the subsidiary attributable to minority interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Company.

Goodwill arising on consolidation is not amortised but tested for impairment.

Name of the entity	Relationship	Country of Incorporation	Ownership held by	% of Holding and voting power either directly or indirectly through subsidiary as at	
				March 31, 2022	March 31, 2021
CG-VAK Software USA Inc	Subsidiary	USA	CG-VAK Software and Exports Limited	100%	100%

Notes forming part of the Financial Statements for the year ended 31st March, 2022(Consolidated)

Following subsidiary company have been considered in the preparation of the consolidated financial statements:

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

(iii) Use of estimates and judgement

In the application of the Group's accounting policies, the Group is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, else in the period of the revision and future periods if the revision affects both current and future periods.

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may diverge from these estimates.

Estimation uncertainty relating to COVID-19 outbreak: The Group has considered internal and certain external sources of information including credit reports, economic forecasts and industry reports up to the date of approval of the financial statements in determining the impact on various elements of its financial statements. The Group has used the principles of prudence in applying judgments, estimates and assumptions including sensitivity analysis and based on the current estimates, the Group expects to fully recover the carrying amount of trade receivables including unbilled receivables, intangible assets and investments. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements.

(iv) Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic environment in which the Group operates (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Group.

(v) Revenue recognition

a) Service income: Revenue is recognized when a customer obtains control of promised goods or services and thus has the ability to direct the use and obtain the benefits from goods or services in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services. For each contract with a customer, the company applies the below five step process before revenue can be recognized.

- Identify the contract with the customer • Identify the separate performance obligation • Determine the transaction price of the contract.
- Allocate the transaction price to performance obligation and
- Recognize revenue at a point in time as performance obligations are satisfied.

b) Interest income: Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable.

c) Dividend income: Dividend is recognised when the right to receive payment is established.

(vi) Foreign currencies

In preparing the financial statements of the Group, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the date of the transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date.

Exchange differences on monetary items are recognised in the statement of profit and loss in the period in which they arise except for exchange differences on transactions designated as fair value hedge.

Notes forming part of the Financial Statements for the year ended 31st March, 2022 (Consolidated)**(vii) Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

(viii) Employee benefits

The Company participates in various employee benefit plans. The employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

Short-term employee benefits

All short-term employee benefits such as salaries, wages, bonus, and other benefits which fall within 12 months of the period in which the employee renders related services which entitles them to avail such benefits and non-accumulating compensated absences are recognised on an undiscounted basis and charged to the statement of profit and loss.

A liability is recognised for benefits accruing to employees in respect of wages and salaries in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service.

Defined contribution plan

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plan

In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. The gratuity benefit is funded. The Company's obligation in respect of the gratuity, which is a defined benefit plan, is provided for based on actuarial valuation using the projected unit credit method. Actuarial gains or losses are recognized in other comprehensive income.

Remeasurement, comprising actuarial gains and losses is reflected immediately in the balance sheet with charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected in retained earnings and is not reclassified to the statement of profit and loss.

(ix) Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

- a) **Current tax:** Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.
- b) **Minimum Alternate Tax (MAT):** The company has shifted to new regime of taxation (since 2019-20) mentioned under section 115BAA. Under section 115BAA tax rate is 22% plus surcharge and education cess. MAT Provisions are not applicable if tax is charged at a rate mentioned in section 115BAA. No MAT credit of earlier years has been carried forward to current year.
- c) **Deferred tax:** Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilised.

Notes forming part of the Financial Statements for the year ended 31st March, 2022(Consolidated)

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

(x) Property, plant and equipment

Land and buildings held for use in the production or supply of goods or services, or for administrative purposes, are stated at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is not depreciated.

Property, plant and equipment are carried at cost less accumulated depreciation and impairment losses, if any. The cost of property, plant and equipment comprises its purchase price/ acquisition cost, net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses and interest on borrowings attributable to acquisition of qualifying property, plant and equipment up to the date the asset is ready for its intended use. Machinery spares which can be used only in connection with an item of Property, plant and equipment and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure on property, plant and equipment after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Depreciation on Property, plant and equipment (other than freehold land) has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

The estimated useful life of the tangible assets are reviewed at the end of the each financial year and the depreciation period is revised to reflect the changed pattern, if any.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

For transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment recognised as of April 1, 2016 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

(xi) Intangible assets

Intangible assets include cost of software and designs. Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use. Intangible assets with finite lives are amortized over their estimated useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. Intangible Assets with indefinite useful lives are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

(xii) Impairment of tangible and intangible assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

If the recoverable amount of the assets are estimated to be less than their carrying amounts, the carrying amounts of those assets are reduced to their recoverable amounts. Impairment losses are recognised immediately in the Statement of Profit and Loss. When impairment losses are subsequently reversed, the carrying amount of those assets are increased to their revised estimates of their recoverable amounts, so that the increased carrying amounts do not exceed the carrying amounts that would have been determined had no impairment losses recognised for those assets in prior years. The reversal of impairment losses are recognised immediately in the Statement of Profit and Loss.

Notes forming part of the Financial Statements for the year ended 31st March, 2022 (Consolidated)**(xiii) Provisions and contingencies**

Provisions: A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities: Contingent liabilities are not recognised but are disclosed in notes to accounts.

(xiv) Financial instruments

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially recognised at fair value. Transaction costs that are directly attributable to financial assets and liabilities [other than financial assets and liabilities measured at Fair Value Through Profit and Loss (FVTPL)] are added to or deducted from the fair value of the financial assets or liabilities, as appropriate on initial recognition. Transaction costs directly attributable to acquisition of financial assets or liabilities measured at FVTPL are recognised immediately in the statement of profit and loss.

Equity instruments at FVTOCI

All equity instruments are measured at fair value. Equity instruments held for trading is classified as FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in OCI. The Company makes such election on an instrument-by-instrument basis.

If the Company decides to classify an equity instrument as FVTOCI, then all fair value changes on the instrument, excluding dividend are recognised in OCI. There is no recycling of the amount from OCI to statement of profit and loss, even on sale of the instrument. However, the Company may transfer the cumulative gain or loss within the equity.

a) Non-derivative Financial assets: All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Financial assets at amortised cost

A financial asset is measured at amortised cost if both of the following conditions are met:

- a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and
- b) the contractual terms of the financial asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Effective interest method:

The rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

b) Derecognition of financial assets: A financial asset is derecognised only when the:- Company has transferred the rights to receive cash flows from the financial asset; or- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

When the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. When the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Notes forming part of the Financial Statements for the year ended 31st March, 2022 (Consolidated)

- c) **Foreign exchange gains and losses:** The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period.

For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in Statement of Profit and Loss.

- d) **Financial liabilities:**

Initial recognition and measurement

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition. All financial liabilities are recognised initially at fair value and in the case of financial liabilities not at fair value through the Statement of Profit and Loss as directly attributable transaction costs.

Subsequent measurement

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised and through the amortisation process.

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

(xv) Segment reporting

Operating segments are reported in the manner consistent with the internal reporting to the Chief Operating Decision Maker (CODM) as per Ind AS 108. The Group is reported at an overall level, and hence there is only one reportable segment viz., Software Services. Geographic information is based on business sources from that geographic region. Accordingly the geographical secondary segments are determined as "North America" and "Rest of the World".

(xvi) Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition) and highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits (with an original maturity of three months or less from the date of acquisition) with banks.

(xviii) Leases

The Group's lease asset classes primarily consist of leases for buildings. The Group, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019.

The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Group's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee, or if the Group changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

In the comparative period, Lease payments under operating leases are recognised as an expense on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

(xix) Operating Cycle

Based on the nature of products / activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(xx) Disclosures for recent Amendment in Schedule III

On March 24, 2021, the Ministry of Corporate Affairs (MCA) through a notification, amended Schedule III of the Companies Act, 2013. The Group has evaluated the impact of COVID – 19 resulting from (i) the possibility of constraints to render services which may require revision of estimations of costs to complete the contract because of additional efforts (ii) onerous obligations (iii) penalties relating to breaches of service level agreements and (iv) termination or deferment of contracts by customers. The Group has concluded that the impact of COVID – 19 is not material based on such evaluation. Due to the nature of the pandemic, the Group will continue to monitor developments to identify significant uncertainties relating to revenue in future periods.

21 Segment information

The Managing Director of the company has been identified as the Chief Operating Decision Maker (CODM) as defined by Ind AS 108, Operating Segments. The CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by industry classes. Accordingly, segment information has been presented.

The Chief Operating Decision Maker (CODM) of the company examines the performance from the perspective of company as a whole viz. 'Software business' and hence there are no separate reportable segments as per Ind AS 108. Geographic information is based on business sources from that geographic region. Accordingly the geographical secondary segments are determined as "North America" and "Rest of the World".

Income and direct expenses in relation to segments are categorized based on items that are individually identifiable to that segment, while the remainder of costs are apportioned on an appropriate basis. Certain expenses are not specifically allocable to individual segments as the underlying services are used interchangeably. The management therefore believes that it is not practicable to provide segment disclosures relating to such expenses and accordingly such expenses are separately disclosed as "unallocated" and directly charged against total income.

Particulars	As at March 31, 2022	As at March 31, 2021
Discount Rate (per annum)	7.12%	6.73%
Expected Return on Planned Assets (per annum)	7.12%	6.73%
Rate of escalation in Salary (per annum)	10.00%	10.00%
Attrition rate (per annum)	20.00%	20.00%

The retirement age of employees of the Company is 58 years.

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary. The mortality rates considered are as per the published rates in the Indian Assured Lives Mortality (2006-08) Ultimate table.

Sensitivity analysis

The key actuarial assumptions to which the defined benefit plans are particularly sensitive to are discount rate and full salary escalation rate. The sensitivity analysis below, have been determined based on reasonably possible changes of the assumptions occurring at end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

Amount in Rs.

Particulars	Discount Rate	Salary escalation Rate
As at March 31, 2022		
Defined benefit obligation on plus 100 basis points	1,29,95,605	1,47,77,677
Defined benefit obligation on minus 100 basis points	1,48,65,880	1,30,58,596
As at March 31, 2021		
Defined benefit obligation on plus 100 basis points	1,16,22,229	1,32,90,507
Defined benefit obligation on minus 100 basis points	1,33,90,182	1,16,97,298

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

5 years to 10 years & above	76,05,130	69,65,978

Notes forming part of the Financial Statements for the year ended 31st March, 2022 (Consolidated)

As at March 31, 2022 & March 31, 2021, 100% of the plan assets were invested in insurer managed funds.

The Company has established an income tax approved irrevocable trust fund to which it regularly contributes to finance liabilities of the plan. The fund's investments are managed by certain insurance companies as per the mandate provided to them by the trustees and the asset allocation is within the permissible limits prescribed in the insurance regulations.

The employee benefit obligations expose the Company to actuarial risks such as: longevity risk and salary risk.

Longevity Risk: The present value of the defined benefit obligation is calculated by reference to the best estimate of the mortality of the participants during their employment. An increase in the life expectancy of the the participants will increase the obligation.

Salary risk: The present value of the defined benefit obligation is calculated by reference to the future salaries of the participants. As such, an increase in the salary of the the participants will increase the obligation.

26 Financial instruments
26.1 Capital management

The Company's management objectives are:

- to ensure the Company's ability to continue as a going concern
- to create value for shareholders by facilitating the meeting of long term and short term goals of the Company.

The Company determines the amount of capital required on the basis of annual business plan coupled with long term and short term expansion plans. The funding needs are met through equity, cash generated from operations, long term and short term bank borrowings and preference share capital.

The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company. Net debt includes interest bearing instruments less cash and cash equivalents and other bank balances (including non-current earmarked balances)

26.2 Categories of Financial Instruments

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet items that contain financial instruments. The details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised in respect of each class of financial asset, and financial liability are disclosed in Note 2(xiv) of Significant Accounting Policies.

A. Financial assets and liabilities

The accounting classification of each category of financial instruments, and their carrying amounts, are set out below:

Total financial liabilities (a + b)	7,10,53,678	7,10,53,678	3,13,01,451	3,13,01,451

The management has assessed that the fair values of cash and cash equivalents, bank balances, trade receivables, other financial assets, trade payables and other financial liabilities recorded at amortised cost is considered to be a reasonable approximation of fair value.

The following methods and assumptions are used to estimate the fair values:

Fair values of the Company's interest-bearing borrowings are determined by using Effective Interest Rate (EIR) method. The own non-performance risk as at March 31, 2022 was assessed to be insignificant.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The fair-value of the financial-instruments factor the uncertainties arising out of COVID-19, where applicable.

Notes forming part of the Financial Statements for the year ended 31st March, 2022 (Consolidated)

B. Fair value hierarchy

The Company uses the following hierarchy for determining and/or disclosing the fair value of financial instruments by valuation techniques. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

26.3 - Financial risk management objective

The Company's activities expose it to certain / reasonable financial risks. The Company's primary focus is to foresee the unpredictability of such risks and seek to minimize potential adverse effects on its financial performance.

The Company has a risk management process and framework in place. This process is coordinated by the Board, which meets regularly to review risks as well as the progress against the planned actions. The Board seeks to identify, evaluate business risks and challenges across the Company through such framework. These risks include market risks, credit risk and liquidity risk.

The risk management process aims to:

- improve financial risk awareness and risk transparency- identify, control and monitor key risks
- identify risk accumulations- provide management with reliable information on the Company's risk situation
- improve financial returns

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements:

Risk	Exposure arising from	Risk Management
Market risk - foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (Rs.)	Periodic review by management
Market risk - interest rate	Borrowings at variable rates	Mix of borrowings taken at fixed and floating rates
Credit risk	Borrowings and other liabilities	Availability of committed credit and borrowing facilities
Liquidity risk	Cash and cash equivalents, trade receivables and other financial assets	Bank deposits, diversification of asset base, credit limits, etc.

Market risk - Foreign exchange

The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to US Dollar. Foreign exchange risk arises from recognised assets and liabilities denominated in a currency that is not the Company's functional currency. Exposures to foreign currency balances are periodically reviewed to ensure that the results from fluctuating currency exchange rates are appropriately managed. The Company concentrates mainly on domestic market hence the risk on account of foreign exchange is very minimal.

The Company does not have any derivatives financial instruments either for hedging or for speculation purpose.

Foreign currency sensitivity analysis

The following information details the Company's sensitivity to a 5% increase and decrease in the rupee against the relevant foreign currencies. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates. A positive number below indicates an increase in profit where the rupee strengthens 5% against the relevant currency will increase the profit and equity by Rs.1,01,884 (Previous year Rs. 2,37,263). For a 5% weakening of the rupee against the relevant currency, there would be an equal and opposite impact on profit and equity.

Market risk - Interest rate
(i) Liabilities:

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At March 31, 2022, the Company is exposed to changes in market interest rates through bank borrowings at variable interest rates. Below is the overall exposure of the Company to interest rate risk:

Particulars	Amount in Rs.	
	As at March 31, 2022	As at March 31, 2021
Variable rate borrowing from Banks		
Fixed rate borrowing		
- Banks	2,62,04,420	0
- Others	0	0
Total borrowings	2,62,04,420	0

Interest rate sensitivity analysis:For non derivative instruments there is no change in the the floating rate borrowings during the year. Hence there is no impact in the Company's profit for the year ended March 31, 2022 (year ended March 31, 2021 Nil).

(ii) Assets:The Company's financial assets are carried at amortised cost and are at fixed rate only. They are, therefore, not subject to interest rate risk since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Company causing financial loss. It arises from cash and cash equivalents, deposits with banks, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at reporting date.

Notes forming part of the Financial Statements for the year ended 31st March, 2022 (Consolidated)

In respect of trade and other receivables, the Company is not exposed to any significant credit risk exposure to any single counterparty or any company of counterparties having similar characteristics. The Company has very limited history of customer default, and considers the credit quality of trade receivables, that are not past due or impaired, to be good.

Therefore, the Company does not expect any material risk on account of non performance by any of the Company's counterparties. The credit risk for cash and cash equivalents, bank deposits, security deposits and loans is considered negligible, since the counterparties are reputable organisations.

Liquidity risk

The Company requires funds both for short-term operational needs as well as for long-term expansion programmes. The Company remains committed to maintaining a healthy liquidity ratio, deleveraging and strengthening the balance sheet. The Company manages liquidity risk by maintaining adequate support of facilities and by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

The Company's Finance department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management.

The Company's financial liability is represented significantly by long term and short term borrowings from banks and trade payables. The maturity profile of the Company's short term and long term borrowings and trade payables based on the remaining period from the date of balance sheet to the contractual maturity date is given in the table below. The figures reflect the contractual undiscounted cash obligation of the Company.

27 Leases

The Group has adopted Ind AS 116 'Leases' with the date of initial application being April 1, 2019. Ind AS 116 replaces Ind AS 17 – Leases and related interpretation and guidance. The Group has applied Ind AS 116 using the modified retrospective approach (Modified Retrospective (ROU asset = Lease Liability and incremental borrowing rate)). As a result, the comparative information has not been restated. In adopting Ind AS 116, the Group has applied the below practical expedients:

The Group has applied a single discount rate to a portfolio of leases with reasonably similar characteristics

The Group has used hindsight, in determining the lease term if the contract contains options to extend or terminate the lease

The Company has treated the leases with lease term of less than 12 months as “short term leases”

The Company has not applied the requirements of Ind AS 116 for leases of low value assets.
